

## Non-Profit Organizations

Effective communication plays an enormous role in strengthening your organization, but keeping everyone informed and up-to-date can take a lot of time, staff and budget. **OnSolve® One Call Now®** makes it easy for you to reach your members...and easy for members to be more active and engaged. Use One Call Now often to save time, reduce costs and ensure everyone gets the correct information.

---

“Using One Call Now has allowed us to get messages to our members without having volunteers have to physically make all the calls. It has saved us hundreds of man-hours.”

— Mary Jane F.

---

## Are you facing any of these common challenges?

### LOW INVOLVEMENT

- Low attendance at services, meetings and events
- Difficulty connecting and keeping members engaged
- Recruiting and coordinating volunteers for events

### INEFFICIENCY

- “Telephone game” miscommunications
- Long hours on the phone trying to reach everyone
- High cost of printing and mailing
- Budget and time limitations for your organization

### EMERGENCY COMMUNICATION

- Reaching everyone quickly in an emergency

## Why organizations choose OnSolve One Call Now:

- Usability — Set up your contacts in minutes and send messages right away!
- Speed — Reach everyone at once with the same message... affordably, with their preferred delivery method.
- Community — Proven to increase attendance, volunteerism and giving.

## It's fast, efficient and effective

### With OnSolve One Call Now:

- Send voice, SMS text and email messages, and post to Facebook and Twitter.
- Set up subgroups within your contact list for targeted communications.
- Eliminate slow and costly hardware dialers, additional phone lines and equipment. Messages are sent instantly from One Call Now without using your phone lines or tying up your computer system:
  - No software to purchase
  - No hardware to install
  - No additional phone lines or equipment required
  - No long-distance charges
  - No charges for ring time or re-dials
  - No support costs
  - No contracts
  - Adjust your plan anytime

## It's a snap to set up, easy to manage and simple to use

It's easy to set up your contact list and keep it updated. There is no charge for support and we'll help you if you need it.

Sending messages is also fast and easy. Send your messages anytime from any device... to any device. Simple menus guide you through the quick process. Your message is sent to everyone right away or you can choose to send it only to certain people.

---

Enjoy the freedom and flexibility of the One Call Now App, letting you send a message anytime, anywhere.
